Marital status: Married, no children

Education and Academic Titles

2011 Docent in Econometrics, University of Helsinki.

Docent is an academic title in Finland comparable to the German *Habilitation*.

2006 PhD in Econometrics, Stockholm School of Economics.

Supervisor: Timo Teräsvirta.

2004 Ph. Lic. in Econometrics, Stockholm School of Economics.

Ph. Lic. is an intermediate degree between MSc and PhD; all the requirements for a PhD besides the doctoral dissertation have to be met, a smaller thesis is also required.

2002 Ph. Lic. in Mathematics, University of Tampere.

2001 MSc in Mathematics, University of Tampere.

Academic Experience

Main Academic Appointments

08/13 – **University of Helsinki**, Assistant Professor of Economics.
09/08 – 08/13 **Koç University** (Istanbul), Assistant Professor of Economics.
09/06 – 08/08 **University of Oxford**, Post-Doctoral Research Fellow in Economics.

Other Relevant Experience, Long Visits, Etc.

04/07 – 08/09 **Nuffield College** (Oxford), Associate Member.
10/06 – 08/08 **Corpus Christi College** (Oxford), Junior Research Fellow.
01/06 – 08/06 **Université catholique de Louvain**, CORE, Doctoral Fellow.
01/05 – 07/05 **University of Technology Sydney**, School of Finance and Economics, Visiting Scholar.
10/04 – 12/04 **Université catholique de Louvain**, CORE, Doctoral Fellow.
07/02 – 06/06 **Stockholm School of Economics**, Department of Economic Statistics, Teaching Assistant.
01/00 – 07/00 **University of Tampere**, Department of Mathematics and Statistics, Teaching Assistant.
09/99 – 11/99 **National Institute of Economic Research** (Stockholm), Research Department, Trainee.
09/97 – 08/99 **University of Tampere**, Department of Mathematics and Statistics, Teaching Assistant.

Some Shorter Visits

University of Helsinki, Department of Economics, 08/11–09/11 (2 weeks), 11/11 (3 weeks).
University of Aarhus, CREATES, 05/08–06/08 (4 weeks).

Publications

Book

Essays in Nonlinear Time Series Econometrics (with Niels Haldrup and Pentti Saikkonen, eds.), **Oxford University Press** (under contract, to appear in 2013).

Recent Unpublished Manuscripts

9. "A Gaussian mixture autoregressive model for univariate time series" (with Leena Kalliovirta and Pentti Saikkonen), HECER Discussion Paper 352.

Honours

Amberg Prize 2008 of the Royal Swedish Academy of Sciences – Awarded for some good work in the economic, engineering, or statistical sciences.

Törnqvist Prize 2007 of the Stockholm School of Economics – Awarded for the best published article by a PhD student during the years 2005–2006.

Honorary Mention 1999 of the Finnish Society of Mathematicians and Physicists – Awarded for an outstanding master's thesis in mathematics.

Best Master's Thesis in Mathematics Award 1999 of the Department of Mathematics and Statistics, University of Tampere.

Academic Professional Activities

Refereeing

Canadian Journal of Statistics, Computational Statistics and Data Analysis, Econometric Reviews, Econometric Theory, Empirical Economics, International Journal of Forecasting, Journal of Applied Econometrics, Journal of Business and Economic Statistics, Journal of Econometrics, Journal of Empirical Finance, Journal of Time Series Analysis, Oxford Bulletin of Economics and Statistics, Statistics and Probability Letters, Studies in Nonlinear Dynamics and Econometrics, TEST.

Conference Co-organization

Nonlinear Time Series Econometrics – A Conference in Honor of Timo Teräsvirta, Aarhus, Denmark, 17–19 June 2012, Co-organizer.

Second All-Istanbul Economics Workshop, Istanbul, Turkey, 12 May 2012, Co-organizer.

Graduate Student Supervision and Examining

Master's students supervised at Koç University (with placement)

Neslihan Sakarya, 2009–2011, PhD program in Economics at Ohio State

Kerem Tuzcuoğlu, 2008–2010, PhD program in Economics at Columbia (in 2011; in 2010 to Ohio State)

+committee member for other students

Other

Faiz Alsuhal, Official Examiner of Ph. Lic. Thesis in Statistics, University of Helsinki, 2010
